Step Six:

**“Were entirely ready to have God re-
move all these defects of character.”**

I am responsible...

**When anyone, anywhere,
reaches out for help, I want
the hand of A.A. always to be
there.**

The Sixth Tradition

“An A.A. group ought never endorse, finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.”

The “related facility” may be an outside group combating alcoholism—or an enterprise that A.A.’s want to start. It was the latter that most often confronted the young Fellowship. Outside agencies were pretty scarce in those days, and some members thought A.A. should cover the whole alcoholism field. Led by a “super-promoter” (as the “Twelve and Twelve” describes him), one group built an all-purpose center, including a section for drying-out treatment. Picture any group tackling such a project! Arguments over cost, architecture, staff, fees, medication, and rules might even make the local paper. (And pity the poor newcomer straying into the group— “We’ll get around to you in a minute.”)

Though that ambitious center failed, some individual members have since founded successful clubhouses, rest farms, halfway houses, etc. The enterprises are run by these A.A.’s and patronized by other members or prospective members. But money and property are involved. Therefore, it has proved wise to keep the operation of the facility completely separate from that of any A.A. group, and to keep “A.A.” or terms like “Twelfth Step” out of the name.

Toward outside agencies dealing with alcoholism, the A.A. policy is “cooperation but not affiliation.” A group cooperates, for example, by welcoming referrals from clinics or by sponsoring A.A. groups in institutions. But in one area, money for a rehab was solicited at an A.A. meeting—implying affiliation. In another, A.A. was listed among beneficiaries of a United Fund drive....

A.A. members employed by outside agencies “wear two hats”— but Tradition Six cautions any such members against wearing both at once! On the job, they may be alcoholism counselors; they are not “A.A. counselors.” At meetings they’re just A.A.’s, not alcoholism experts.

WAI INTERGROUP OFFICE PARKING NOTICE

There is a new parking lot for the WAI offices on the side of building which requires a code —or action by office personnel—to open the gate allowing entry. Call the office at the entry gate kiosk and office personnel will open the gate from the office controller.

If the office does not answer, please try again in several seconds as office staff may be on the phone and unable to immediately acknowledge your call, and also confirm that your visit is during open office hours. No code is required to exit the lot. The parking lot in the rear of the building is now for employees only and requires a badge for entry.

SPREAD the word: DON'T park in the attended lot across the street.

The lot is private parking only and is not for Intergroup visitors.
WAI office personnel **CANNOT** validate a parking ticket for that lot. The lot attendant **WILL charge you \$15** to exit the lot without a validated ticket!

When, therefore, we were approached by those in whom the problem had been solved, there was nothing left for us but to pick up the simple kit of spiritual tools laid at our feet. We have found much of heaven and we have been rocketed into a fourth dimension of existence of which we had not even dreamed.

NEW ANNOUNCEMENT:

The Worcester Area Intergroup Treatment Facilities Committee is looking for your help with a new treatment center that has asked for assistance with incoming AA commitments. The Worcester Recovery Center and Hospital on Belmont Street in Worcester has reached out and we are looking for individuals that would commit to one day per month to bring with them additional speakers (or run an AA meeting) to carry the message of AA along with your experience, strength and hope. This facility is governed by the Department of Mental Health so the individual taking the commitment that shows on a consistent basis will have to pass a few minor hurdles for clearance that we would be happy to explain further. Right now, the days with the most free time are Monday-Wednesday but weekends are fairly open as well. Whatever day works for your schedule can be accommodated.

If interested in learning more please email the committee at Treatment@aaworcester.org or PM me if you see this on Facebook.

"When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that: I am responsible."

Remember that the **primary purpose** of Alcoholics Anonymous is to stay sober and to help other alcoholics to achieve sobriety. There are far too many people in very early sobriety at Treatment Facilities that are not hearing the message that we are responsible for carrying. With that said the WAI Treatment Facilities Committee is asking for your help.

Please visit the WAI website at www.aaworcester.org and click on the Treatment Facilities Committee link in the lower right corner of the home page. There you will find calendars by facility to view open dates that we need your help filling. If the date says FILLED, it is currently covered. If the day of the month is blank it is open. Once you find a date that you can help fill please contact us at Treatment@aaworcester.org.

We have attached the month of April's open dates for several facilities. There are hundreds of open spots for the facilities we are working with. We need help and you can provide that for us in the following ways:

- 1) Having your Group take a Standing Commitment
- 2) Having a group of friends take a Standing Commitment
- 3) Having you and some friends fill an open spot until a Standing Commitment can be found

So please do what you can and if you have general questions you can always contact us at Treatment@aaworcester.org.
